

DIGITAL LEARNING

AKTEOS has developed a digital learning offer based on latest developments in the way we learn to exceed our clients' expectations and strengthen our position as innovative leader. This offer is scalable and accessible to a wider audience, available in English and French, and can be either deployed 100% digital, with or without accompanying coaching, or as Blended Learning.

E-LEARNING MODULES

The AKTEOS e-learning catalogue includes country specific and transversal modules, developed based on the **Nomad' Profiler**.

Making use of various media such as videos, learning comedy, cartoons, animations, motion pictures, whiteboards, examples, practical case studies, exercises, quizzes, etc., AKTEOS has built its educational architecture around innovative, fun and interactive learning tools.

EXAMPLE OF BLENDED LEARNING IN 3 STAGES:

- 1 h e-learning to help the participants discover the fundamental concepts of culture and prepare themselves for the face-to-face training.
- 1 day face-to-face or 3 x 2h virtual training to enhance the intercultural awareness and apply intercultural tools and concepts.
- 1 h e-learning to reinforce the intercultural knowledge and skills.

- **Cultural Filters:** including videos to explain how to leverage from intercultural learning for business performance.
- **Cultural Indicators:** featuring a learning comedy to explore in a fun way how to use your cultural profile and to decipher intercultural situations.
- **Country Specific Modules** (USA, France, etc.): cartoons & activities to help decode behaviours and learn to work more effectively with other cultures.

AKTEOS e-learning enables you to train all employees around the globe on the same content.

It also allows trainees to learn at their own pace, in a short period of time (each module takes 1 hour).

The modular, versatile and adaptable e-learning journey can be customized to the needs of each participant.
